TIM KNIGHT MUSIC

ABOUT TIM

Born in Yorkshire, Tim became a chorister in York Minster Choir under the tutelage of Dr Francis Jackson, with the daily round of choral services exposing him to an immense and diverse repertoire. Tim also studied choral conducting and composed his first piece of music at the age of 8! After many years accruing knowledge, expertise and experience, Tim now enjoys a multi-faceted musical career as: Composer and Arranger of Choral, Instrumental, Orchestral and Organ music; Conductor and Choral Director of 3 Yorkshire choirs (two of which he founded); Author of best-selling 'must-have' choir and concert management books; Music Publisher of his own portfolio and a number of other Composers; Keynote speaker, Guest Conductor and Recitalist; Over 20 years' experience running Choir tours, Singing Holidays and Choral Workshops; Teacher and mentor to budding composers, conductors and singers.

So..... why book an event with Tim Knight Music?

Tim is a keen ambassador for choral music and tradition and has been running singing events, workshops and tours for over 20 years, both under his own banner and with his own choirs and also with HF Holidays. During this time, Tim has built up a reputation for providing singers with a rewarding, educational and memorable experience singing fine music in fine venues throughout the UK, Europe and America. This has led to consistent repeat bookings and excellent reviews such as:

"We loved singing in a small group and getting to know everyone. We loved the venue too. What a fab place! We also enjoyed Tim's sense of humour"
